What are the must-see concerts this summer?

Palm Beach Post Staff Report

With a couple of free concerts by Jamey Johnson at Abacoa and Parmalee on the West Palm waterfront, and a classic rock bill of Bad Company and Joe Walsh at Perfect Vodka, the Memorial Day weekend kicks off the summer concert season. It's full of big stars at the big sheds from Palm Beach County to Miami, plus some interesting smaller shows at venues such as Delray Beach's Arts Garage and Boca Raton's The Funky Biscuit.

Here's a breakdown of what you might want to see locally. (Tickets are available through the usual online suspects.)
