Silverspot Cinema was recently recognized by the Event Cinema Association (ECA) with an "Excellence of Exhibition" Award for Best Independent Exhibitor in the Americas.

"As a relative newcomer to the industry, Silverspot Cinema is honored to be acknowledged for our unique and cutting-edge programming," said Francisco "Pancho" Schlotterbeck, CEO of Silverspot Cinema.

Nominated by ECA members, the awards are given with the intention to grow the event cinema market and recognize quality, vision and hard work throughout the industry.

Silverspot Cinema is a privately held company specializing in a boutique cinema environment catering to an upscale clientele. In addition to traditional Hollywood fare, Silverspot offers independent films, foreign films and a cultural arts program featuring operas, ballets and concerts. The theatres offer a full menu to dine in or at theatre seats with personal delivery.

Silverspot Cinema currently operates 11 screens in Ft. Lauderdale, Florida; 11 screens in Naples, Florida; and 13 screens in Chapel Hill, North Carolina. Expansion plans include 16 screens in Miami, Florida, in 2017 and nine in Cleveland, Ohio, in 2018.
