# Car show benefits Make-A-Wish foundation

Father's Day, June 18, would be a great day for everyone from families to window shoppers to car aficionados to enjoy the Mizner Park Downtown Drive Car Show.

The seventh annual event takes place 10 a.m. to 4 p.m. at Mizner Park, 327 Plaza Real, and at the Mizner Park Amphitheater in Boca Raton. A family-friendly concert, featuring the Florida Atlantic University Summer Concert Band led by Kyle Prescott and sponsored by the City of Boca Raton, will follow at the amphitheater from 7 to 8:30 p.m. Admission to both events is free.

More than 150 cars, including antiques, classics, street rods, custom builds, race cars, sports cars, imports, hand-built cars and one-of-a-kind autos from the 1900s to present day will be on display. The show is a Russ G. Events production. All money raised through car show entry fees and donations will benefit Make-A-Wish Southern Florida.

"This much-anticipated event, now in its seventh year, brings many out for a memorable family fun-filled day and wraps up with a concert by the FAU Summer Concert Band, all while raising money to support a great cause," said Dana Romanelli Schearer, general manager of Mizner Park.

A special Kids Kar Zone at the Mizner Park Amphitheater will include music, crafts and other activities for kids.

Those staying for the concert should bring chairs and blankets. Chairs will also be available to rent for \$5. Food and beverages will be available for purchase inside the venue. No coolers or outside alcoholic beverages permitted. The event takes place rain or shine.

The event is made possible by Mizner Park, GGP Inc., the City of Boca Raton and the Mizner Park Amphitheater.

Make-A-Wish Southern Florida aims to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.
